Useful information regarding the “Ingénieur” programme	<p>PURPAN recommends students to arrive from January, because the course offer is more important (no 4th and 5th year courses from October to December).</p> <p>Courses: students may choose uppermost among 3rd & 4th year courses. Access to 5th year courses is restricted; enrolment is subject to prior acceptance by PURPAN.</p>																		

General grading system	<p>Ecole d'Ingénieurs de PURPAN applies the ECTS grading scale, but applies a module average system for PURPAN students.</p> <p>Local examinations are graded from 1 to 20, and are translated into ECTS grades as described hereunder. To validate a course, exchange students must obtain at least 09,50/20.</p> <p>Some courses may not be graded but validated with ECTS based on attendance (with the mention "Pass").</p> <p>Some courses may be compensated according to PURPAN's compensation rules.</p>								
<i>PURPAN grade</i>	0 – < 7,5	7,5 – < 9,5	9,5 – < 10,5	10,5 – < 11,5	11,5 – < 13,5	13,5 – < 15,5	15,5 – 20		
<i>ECTS grade</i>	*F	*Fx	E	D	C	B	A		
<i>ECTS definition</i>	Fail	Fail	Sufficient	Satisfactory	Good	Very good	Excellent		
<p>*F - Considerable further work is required. *Fx - Some more work is required before the credit can be awarded.</p>									
<p>To check if this grading scale applies to your study program, see with appropriate coordinator</p>									
Linguistic knowledge, prerequisite, preliminary French lessons, level tests	<p>“Ingénieur” :</p> <p>At PURPAN, the language of tuition is mostly French. Students need to have a level B1 in French at least (according to the Common European Framework of Reference for Languages). However, a level B2 is recommended.</p> <p>We will offer 30 hours of French as a Foreign Language when students arrive at PURPAN; but the aim is not to reach a CEFRL level (like the B2 recommended), it's more to help students adapt to the change of language of tuition (oral + written) and eventually detect improvements to be made.</p> <p>Students may also sign up for French courses within the "Université Fédérale de Toulouse" (40€/module). Please contact Delphine SEGUI for more information.</p> <p>EURAMA:</p> <p>In order to study in good conditions, we require a minimum level of English: TOEFL iBT: 80 (with speaking 20 min.) / IELTS: 6 (with speaking 6.0).</p> <p>IBC:</p> <p>In order to study in good conditions, we require a minimum level of English: TOEFL iBT: 80 / TOEIC: 750 / IELTS: 6 / or equivalent.</p>								
Accommodation	<p>We can help students find accommodation upon request and according to offers received. Our possibilities:</p> <ul style="list-style-type: none"> ▪ room rents in private housing ▪ CROUS Residence Halls (according to a quota granted each semester, or according to availabilities for out-of-quota) ▪ ICAM-PURPAN residence (only a few offers for students staying for 10 months minimum or according to availabilities from semester 2) ▪ sharing a flat with other students (only a few offers per semester) ▪ studios or flats (only a few offers per semester) 								
Medical overage / Insurance	<p><u>Compulsory by French law:</u></p> <ul style="list-style-type: none"> ▪ Medical & Hospitalisation <p><u>For European students:</u> Copy of the European Health Insurance Card or an international insurance for the whole period of studies.</p> <p><u>For Non-European students:</u></p> <ul style="list-style-type: none"> - <i>For non-EU students staying < to 3 months:</i> International Private Insurance for the whole period of studies; - <i>For non-EU students staying > 3 months:</i> you must sign on (& pay) for the basic French student Social Security (215€ for 2016/2017 academic year). <ul style="list-style-type: none"> ▪ Personal Civil Liability (also called “third-party damage”). It covers students for body injuries and for material damage caused to a third person. <p>Ecole d'Ingénieurs de PURPAN will register students to its insurance center MSA (Mutualité Sociale Agricole) for Work Accident: for internships & everyday travel from accommodation to school.</p> <p>PURPAN also asks medical and funeral Repatriation coverage to the home country.</p>
